For 11<sup>th</sup> grade, there is a report card and transcript review. We consider each admissions component for every applicant, and all applications are rated on a rubric. No single admissions component will be the sole determinant of eligibility. All applicants must complete an interview and essay to be considered for admission.

Each component is scored and weighted according to the chart below. Applicants must receive a minimum total score of 12 out of 17 points to be considered eligible for admission. In the event where the school may need to identify more eligible students and where there is demand, applicants who score 10 or 11 may also be deemed eligible, on an as needed basis.
