When you learn something that **you're really excited about**, your brain releases dopamine, which makes you **feel good and want to learn more!**

Turns out, **when you're enjoying yourself**, you're more likely to remember what you learn, which is what **leads to great discoveries.**

WE'RE BUILT FOR IT.

STEM FOR ALL!

DC STEM FEST invites everyone from all ages to celebrate Science, Technology, Engineering and Math with fun activities.

Interactive exhibits, hands-on experiments, mind-blowing demos
