IMAGINE THE POSSIBILITIES. CHOOSE YOUR SCHOOL. START HERE.

MAKE YOUR SCHOOL LIST

Use this worksheet to make a list of schools you want to learn about. Once you’ve done research, rank them in the order you like them (your 1st choice, 2nd choice, and so on). You can apply to up to 12 schools on the My School DC application, and you will need to put them in the order you like most.

SCHOOL NAME	DATE OF SCHOOL VISIT	NOTES What matters most to you and your child in a school? Which schools are a good fit?	RANK
<i>Example: School ABC</i>	<i>1/9/2019</i>	<i>School focuses on science and math, which is a good fit for my child; but school is located 3 miles from where we live (need to research transportation options)</i>	<i>3</i>

TIP: My School DC is a random lottery. There is no advantage to applying first; however, applicants must apply by the application deadlines.

WHO NEEDS MY SCHOOL DC?

Submit a My School DC application if your child will be a **NEW** student at a:

- Participating public charter school (PK3-12)
- DCPS school outside your boundary or feeder pattern (PK3-12), including DCPS citywide schools
- PK3 or PK4 program at any DCPS school (including your in-boundary school)
- DCPS selective high school or program (9-12)

You do **not** need to submit an application if your child will:

- Remain in his or her current school (contact your school to re-enroll)
- Attend his or her DCPS in-boundary or feeder school (K-12)

The My School DC application opens on **December 10, 2018**. The application deadline for high school (grades 9-12) is **February 1, 2019**. The application deadline for PK3 - grade 8 is **March 1, 2019**. Visit **MySchoolDC.org** to learn more and apply. The application is available in English and Spanish.

Application guides are available for download in Amharic, Chinese, Vietnamese, and French on MySchoolDC.org. Call the My School DC Hotline at (202) 888-6336 for application assistance in your language.

Lottery results will be available online in your My School DC family account on **March 29, 2019**.

LEARN

There are several ways to learn about your public school options:

- Visit [MySchoolDC.org](https://www.myschooldc.org).
 - › Use the School Finder to search by address, grade and program type and find DCPS and public charter schools near you, including your DCPS in-boundary schools.
 - › Check out the My School DC school profiles to learn about participating schools and view their open house schedules.
- Visit schools or call schools directly if you have questions about their programs.
- Talk with your neighbors or friends who attend the schools you are interested in and go to EdFEST and other school fairs.

Consider what is most important to you and your child.

- How important is school location? How will I get my child to school?
- How important is before and after care to my family?
- What kind of learning environment is best for my child?
- What academic offerings are important for my child?
- What extracurricular offerings are important for my child?

For a full list of schools participating in My School DC and their profiles, visit [MySchoolDC.org](https://www.myschooldc.org) or pick up a printed My School DC School Directory at a school or library.

TIPS

- ★ Make sure your children's applications are all under the same account.
- ★ Listing your choices in the order you like most matters. Remember: Only list schools you want to send your child to.

APPLY

WHAT DO YOU NEED TO APPLY? ☒

☐ First, create a My School DC Family Account at MySchoolDC.org.

Create **one family account**. Complete a My School DC application for each child in your family applying to a new school within that family account.

You will need to provide an **email address** or create a **username** and set a **password**. You can use the same email address or username each year.

☐ Next, start a My School DC Lottery Application.

You need the following information to complete a My School DC application:

- **Information about your child**

- ☐ Name, date of birth, current school, and grade

- **Basic information about your family**

- ☐ Legal guardian's name (first and last)
- ☐ Contact information, including guardian's home address

- **School selections**

- ☐ You can choose up to 12 schools.
- ☐ List your 1st choice (the school that you want the most), then your 2nd choice, and so forth.

Review your choices to ensure that they are ranked in the **order you like most**. Students can only be matched with one school and are waitlisted only at the schools they ranked higher than the school where they are matched or enrolled. You have until the date of the deadline to make any edits on your application and until March 15 to update your school rankings.

TIP: Students: Write your essay in a Word document first to check for spelling and character count (the application does not have spellcheck). Some schools require a word and character limit on their essays. Save, then copy and paste onto the application when ready.

- Follow your school's additional enrollment requirements.
- Submit a My School DC seat acceptance form. Download the form at MySchoolDC.org.
