

# Total Applications and Results from 2014 - 2019

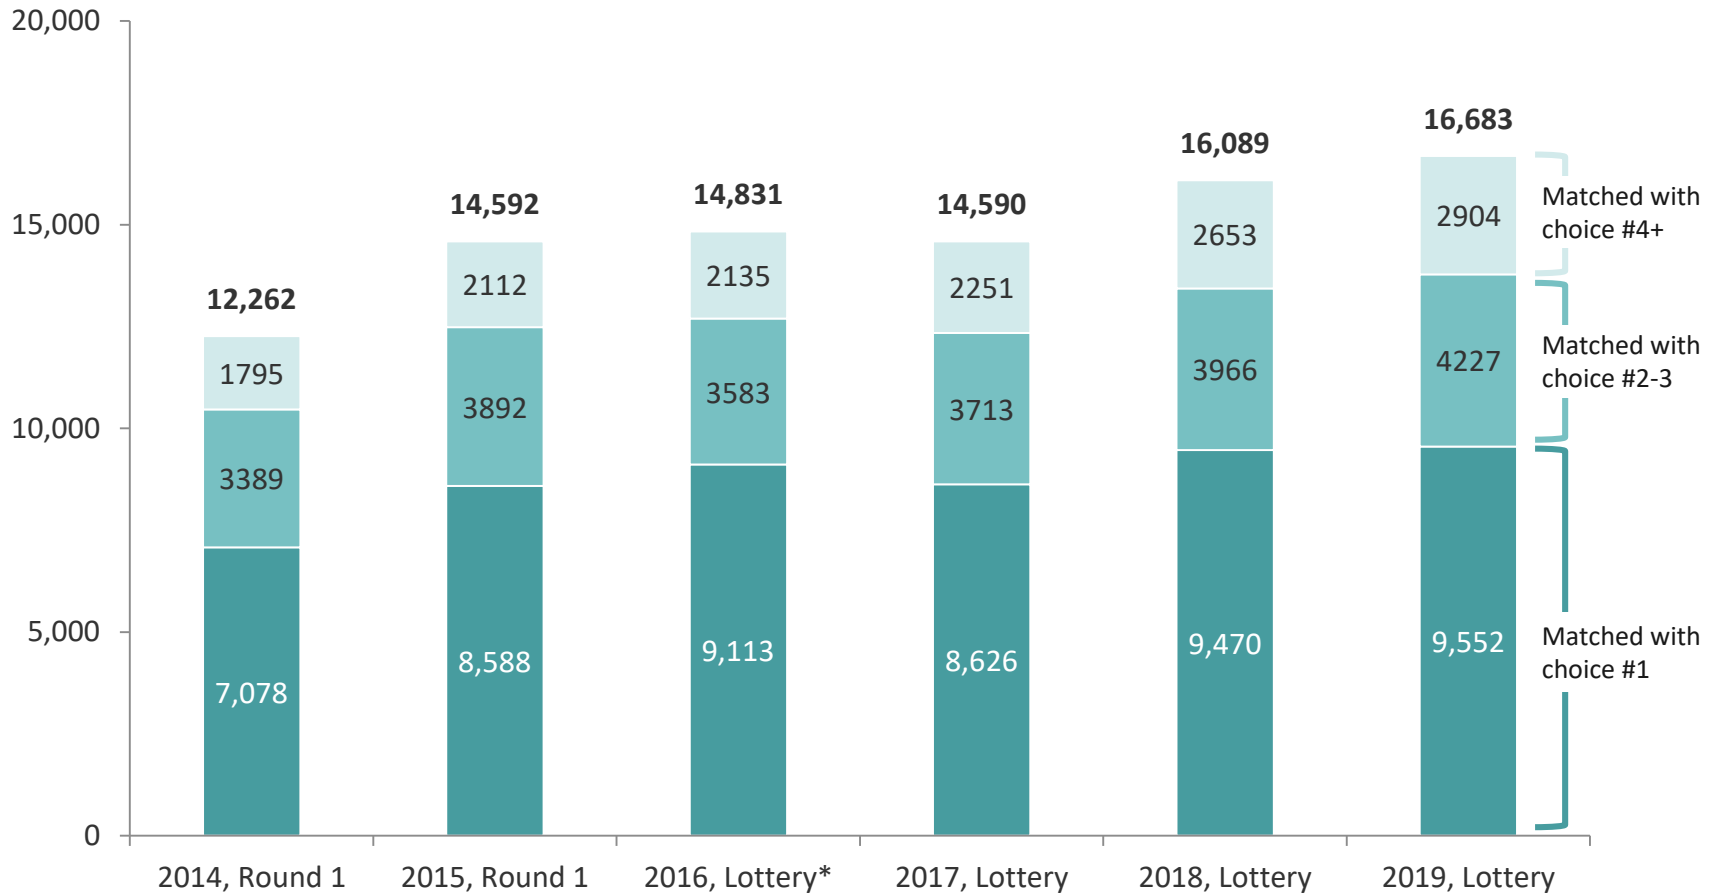

My School DC has seen an increase of applications each year.  
 The match rate for 2019 was 65%, a slight increase from last year.

*\*Beginning in 2016 there was only one lottery so no Round 1 distinction is needed*

# Match Results from 2014 - 2019

This year, of matched families, **57%** were matched to their #1 school selection.  
**84%** were matched with one of their top three school selections.

*\*Beginning in 2016 there was only one lottery so no Round 1 distinction is needed*
